### THE FOUR-WAY TEST

Of the things we think, say or do  
 Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL AND BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

### Welcome to All of Our Visitors Today

We are glad that you joined us and hope to see you again soon. Please be sure to provide us with your email address so we can be in touch with you about all the great and exciting moments in Rotary.

### July is Rotary New Leadership Month

Each year Rotary Clubs and Districts across the globe induct new leaders. Our leaders exemplify all of the qualities that make our members extraordinary; integrity, expertise, and commitment to service.

Rotary develops leaders by providing opportunities for all members to provide service to our local communities and communities across the globe. With that service comes a learning experience in the areas of leadership, team building, planning, marketing, communication, and organization.

Serving as a Club or District officer or committee member provides an opportunity to enrich your leadership skills by sharing experiences and ideas with other Rotarians throughout the region.

### Rotary District 6980 University July 20 – 8:00 a.m.-12:00 p.m.

All Board Officers and Directors are asked to attend these sessions as per individual emails you have received from DG Cindi. Register yourself or have someone from your committee represent you. Registration details were in the email.

## Rotary Connects the World

RI President-elect Mark Daniel Maloney's theme for 2019-20, *Rotary Connects the World*, asks Rotarians to strengthen the many ways that Rotary Connects the World, building the connections that allow talented, thoughtful, and generous people to unite and take meaningful action through Rotary service.

*(An excerpt from his message in The Rotarian, July 2019)* "All of us are in Rotary together, whoever we are, wherever we are from, whatever language we speak or traditions we follow. We are all connected to one another — part of our communities and members not only of our clubs, but also of the global community to which we all belong.

This connection is what lies at the heart of the Rotary experience. It is what brings us to Rotary. It is why we stay. Please join your fellow Rotarians on this journey as Rotary Connects the World."

### Why You Should Attend the Rotary Leadership Institute

RLI seeks to provide quality education in Rotary knowledge and leadership skills to Rotarians interested in developing their Rotary participation and to those identified by Rotary Clubs as having a potential in club leadership. These educational opportunities will teach skills that will benefit the members in their lives and in their volunteer service. You will not only learn from the instructors but from other Rotarians throughout our District and the State of Florida.

There are 4 sessions – Parts 1, 2 and 3 as well as a Graduate Level. You are only able to complete one part per day and they must be taken in order.

The cost is \$100 and includes breakfast and lunch. The Rotary Club of Kissimmee Bay will reimburse you for the cost after you attend the class. Club officers are strongly encouraged to attend.

Registration is easy. Go to the Rotary District 6980 webpage and sign in. Go to our district calendar and scroll down to August 10th. The Register NOW button is in RED.

### Kissimmee Bay Rotary's 20<sup>th</sup> Casino Night & Auction October 26, 2019

#### Kissimmee Elks Lodge #1873

It's time to start thinking of our annual event and what we can do to make our 20<sup>th</sup> Casino Night and Auction the best ever! We know the food and beverages will be great. The casino games are fun for everyone whether they know how to play or not.

Live auction items need to be different, special and exciting. We need some unique silent auction items to add to the mix of some of our favorites. The event is just 2 months before the holidays so think about what people might want for Christmas. Start asking for donations from companies or purchasing items now. Complete the paperwork for each item when you bring them to the weekly meetings.

Our annual projects depend on the success of this event so we need everyone to do their part. Stay tuned for more details.
