Tony DeLucia – December 3

Belated Rotary Anniversary

Diane Mehrlich – November 25, 2015

Rotarian of the Month of October is ???

Rotary Leadership Institute (RLI)

Building Better Rotarians, One Session at a Time

February 1, 2020

Rosen College of Hospitality Management

9907 Universal Blvd. , Orlando, FL 32819

As Rotarians, you are all leaders, some in your community, some in your profession, and some in life in general...

At RLI, the purpose is to give you the necessary tools and skills to be better Rotarians. As in every endeavor, the more you know about anything, the more interesting it becomes. Rotary is most assuredly one of those areas that the more you put into it, the more you get out of it. RLI can make that possible for you. Graduates of RLI are more likely to remain in, and be a bigger part of Rotary, than any other demographic. Kissimmee Bay Rotary suggests that all club members attend to learn more about Rotary. We strongly encourage anyone wanting to take on a leadership role in the club to take parts 1, 2 and 3.

Register in the event calendar on DACdb under "REGISTER NOW". Parts 1, 2, & 3, along with the Graduate Class on Foundation are available.

Breakfast and registration check-in starts at 7a.m. Class begins promptly at 8:00 a.m. and will be completed by 3:30 p.m.

The cost for breakfast, lunch and all materials is \$100. You must pay when you register. Our club will reimburse you once you attend training and submit your receipt to our Treasurer.

The Rotary Foundation Weekly Message

By Rotarians for Rotarians

What is “Every Rotarian, Every Year” all About?

This initiative by the Board of Trustees of The Rotary Foundation encourages “every Rotarian, every year” to:

- Participate in a Foundation program that is making a difference in the world
- Contribute to the Foundation’s Annual Fund at a sustainable amount

The Rotary Foundation even has banners for clubs where every member contributes at least \$25 to the Annual Fund with a US\$100 per capita during the Rotary year. Think about what you can do to help us meet our Annual Giving goal...which is the goal to make positive change in the world around us!

If you are a part of the “Every Rotarian, Every Year” initiative – we personally thank you for y you for your support of The Rotary Foundation and its work.

UK Aid Donates £400 Million to Support Polio Eradication

By James Bolton November 5, 2019

The Department for International Development has pledged new UK aid support to help protect more than 400 million children a year against polio.

Following on from the global announcement that a second of three strains of wild poliovirus has now been eradicated, the UK government has pledged up to £400 million worth of support to help eliminate the disease for good.

The funding, which was announced today by International Development Secretary, Alok Sharma, will help vaccinate more than 750 children a minute against polio.

This new package of UK aid, which will go towards the Global Polio Eradication Initiative (GPEI), will support 20 million health workers and volunteers to deliver potentially life-saving vaccinations to 400 million children per year around the world between 2020 and 2023.

Polio is a debilitating disease which mainly affects children under the age of 5 and can cause paralysis and even death.

Although the UK has been free from polio since the 1980s, the country has been one of the largest governmental supporters of the GPEI, with today’s announcement bringing the total contribution given to ending polio to £1.7 billion since 1995.

Support of the efforts to eradicate polio have always gained significant cross-party backing, and the announcement today, prior to parliament being suspended, means the upcoming election will not affect the funding.
