Warmth for the Season

On these cold wintery nights, many people are not as fortunate as we are to have a warm place to protect us from the weather. This week, twenty hats knitted or crocheted by our members, were handed out to local homeless people sleeping outside.

Continued Warmth

Lap Blankets and Socks Needed by December 11

For the past several years, our club members have purchased small lap blankets and pairs of socks for seniors without family members in local nursing homes. Our Interact students helped to deliver these, bringing warmth and joy to so many. This year, we will continue the tradition with 30 more seniors. Please purchase a blanket and pair of socks with the rubber-grip soles and bring them to the club no later than December 11. Colors and sizes are your preference but gender neutral are best. There will be a sign-up sheet at this week's meeting but you can bring them in prior to signing up. There are many blankets in the stores at low prices right now.

And One More Act of Warmth

Pajamas for Help Now Residents by December 18

Help Now of Osceola, Inc. provides temporary safe shelter for victims of domestic abuse facing imminent danger. Among the many ways that we have supported this agency over the years is to give pajamas to each of the women and children staying there during the holidays. There will be a sign-up sheet for this project, too. If you are able to help, please select a name from the list and purchase pajamas for them.

The Rotary Foundation Weekly Message

By Rotarians for Rotarians

ROTARY'S AREAS OF FOCUS

Rotary is dedicated to six areas of focus to build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

- **Promoting peace:** Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.
- **Fighting disease:** We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care.
- **Providing clean water, sanitation, and hygiene:** We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Rotary Leadership Institute (RLI) Building Better Rotarians, One Session at a Time

February 1, 2020

Rosen College of Hospitality Management
9907 Universal Blvd., Orlando, FL 32819

At RLI, the purpose is to give you the necessary tools and skills to be better Rotarians. As in every endeavor, the more you know about anything, the more interesting it becomes. Rotary is most assuredly one of those areas that the more you put into it, the more you get out of it. RLI can make that possible for you.

Kissimmee Bay Rotary suggests that all club members attend RLI. We strongly encourage anyone wanting to take on a leadership role in the club to take parts 1, 2 and 3.

Register in the event calendar on DACdb under "REGISTER NOW". Parts 1, 2, & 3, along with the Graduate Class on Foundation are available.

Breakfast and registration starts at 7:00 a.m. Class begins promptly at 8:00 a.m. and will end by 3:30 p.m.

The cost for breakfast, lunch and all materials is \$100. You must pay when you register. Our club will reimburse you once you attend training and submit your receipt to our Treasurer.
