The Rotary Foundation Weekly Message

By Rotarians for Rotarians

WHAT IS A ROTARY FOUNDATION GLOBAL GRANT SCHOLARSHIP?

Established in 1947, the original Ambassadorial Scholarship program was designed to further international understanding and friendly relations among people of different countries. With the launch of the Rotary Grants model, scholarships are now used to fund study by graduate students whose career goals support an area of focus. The funding is the same as a humanitarian global grant with a minimum scholarship amount of US\$30,000. Upon returning home, Rotary Scholars share with Rotarians and others their experiences that led to a greater understanding of their host country, and what career they will go into in order to meet the six areas of focus and spread good will and understanding.

Kissimmee Bay Rotarians in Transition

Wes Harper has returned to Australia early than anticipated to be with his family. He is retaining his membership with us while he settles in there. We know he won't find a club like ours. Christina Karandreas is no longer a member as of January 1.
