The Rotary Foundation Weekly Message

By Rotarians for Rotarians

Week 1 - Introduction

Over the next year, we will be sharing a short weekly message about The Rotary Foundation, its programs and the need for your support. Today, we have a quote from Paulo Costa, Past President of Rotary International, 1990-1991. "Rotary International's masterpiece is The Rotary Foundation. It transforms our dreams into splendid realities . . . it is the most generous expression of Rotarian generosity - a generosity that not only brings benefits but also brings help and cooperation to solve the problems that affect mankind. The Rotary Foundation achieves the best that mankind can possibly achieve."

Week 2 – What is The Rotary Foundation?

The Rotary Foundation is the charitable arm of Rotary. It is a non-profit that is supported solely by voluntary contributions from Rotarians and friends of The Rotary Foundation who share its vision of a better world. Its sole mission is to support the efforts of Rotarians through Rotary's mission, and the achievement of world understanding and peace through local, national and international humanitarian and educational programs in your back yard and around the globe.

Week 3 – How Did The Rotary Foundation Get Started?

The Rotary Foundation was founded in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution in 1917 of \$26.50 from the Rotary Club of Kansas City, Missouri to more than \$4.4 billion dollars in total contributions. The Rotary Foundation made its first grant of \$500.00 to the International Society for Crippled Children in 1930, and to this day, it continues to "do good in the world" in the name of Rotary.

Why You Should Attend the Rotary Leadership Institute

RLI seeks to provide quality education in Rotary knowledge and leadership skills to Rotarians interested in developing their Rotary participation and to those identified by Rotary Clubs as having a potential in club leadership. These educational opportunities will teach skills that will benefit the members in their lives and in their volunteer service. You will not only learn from the instructors but from other Rotarians throughout our District and the State of Florida.

There are 4 sessions – Parts 1, 2 and 3 as well as a Graduate Level. You are only able to complete one part per day and they must be taken in order.

The cost is \$100 and includes breakfast and lunch. The Rotary Club of Kissimmee Bay will reimburse you for the cost after you attend the class. Club officers are strongly encouraged to attend.

Registration is easy. Go to the Rotary District 6980 webpage and sign in. Go to our district calendar and scroll down to August 10th. The Register NOW button is in RED.

Rotary District 6980 University July 20 – 8:00 a.m.-12:00 p.m.

All Board Officers and Directors are asked to attend these sessions as per individual emails you have received from DG Cindi. Register yourself or have someone from your committee represent you. Registration details were in the email.

~~ We are working with NeoCity Academy to form a new Interact Club.

Kissimmee Bay Rotary's 20th Casino Night & Auction October 26, 2019

Kissimmee Elks Lodge #1873

It's time to start thinking of our annual event and what we can do to make our 20th Casino Night and Auction the best ever!

We know the food and beverages will be great. The casino games are fun for everyone whether they know how to play or not.

Live auction items need to be different, special and exciting. We need some unique silent auction items to add to the mix of some of our favorites. The event is just 2 months before the holidays so think about what people might want for Christmas. Start asking for donations from companies or purchasing items now. Complete the paperwork for each item when you bring them to the weekly meetings.

Our annual projects depend on the success of this event so we need everyone to do their part. Stay tuned for more details.
