THE FOUR-WAY TEST

Of the things we think, say or do
 Is it the TRUTH?
 Is it FAIR to all concerned?
 Will it build GOOD WILL AND BETTER FRIENDSHIPS?
 Will it be BENEFICIAL to all concerned?

Welcome to All of Our Visitors Today

We are glad that you joined us and hope to see you again soon. Please be sure to provide us with your email address so we can be in touch with you about all the great and exciting moments in Rotary.

On February 23, 1905, Paul P. Harris, Gustavus Loehr, Silvester Schiele, and Hiram E. Shorey gathered in Loehr's office for what would become known as the first Rotary club meeting.

Harris' desire for camaraderie among business associates brought together these four men and eventually led to an international organization of service and fellowship. Each of the first four Rotarians, and Harry L. Ruggles, who is often called the "fifth Rotarian," brought different professional perspectives to the organization.

The Central Florida Animal Reserve is a big cat and wildlife sanctuary housing lions, tigers, leopards, and cougars. They are building a platform to address the challenges of big cats in the future, and provide value to society today. This non-profit facility serves big cats that would otherwise not have a home. Kelley Mulvihill from CFAR has set up a tour for 15 people for the Kissimmee Bay Rotary Club. We can add more if needed, but need to know by Thursday how many are planning on going.

We are scheduled for Sunday, February 24 at 2:00 p.m. By using the link provided below, each guest can individually create and pay for his or her own reservation. All reservations must be paid before the event. The cost is \$25 per person.

Rotary Camp RYLA District 6980

The fun begins this Wednesday for more than 150 high school students as they spend the next 5 days and 4 nights at the beautiful Elks Youth Camp in Umatilla. The majority of the students have been selected and sponsored by local Rotary Clubs and will interact with the inbound Rotary Youth Exchange students.

Outdoor activities include the High Ropes Course and canoeing. The Seven Habits of Highly Effective Teens and Public Speaking sessions help to develop their leadership skills. Talks by dynamic speaker John T. Capps and other guests motivate and inspire these young adults in the classroom and around the evening bonfires.

KBay Rotary has sponsored six students this year– 4 from our PATHS Interact Club and 2 from Gateway High School. We will hear from them at one of our weekly meetings sometime after they return from the camp.
