Rotary District 6980 Conference

May 2, 2020 8:00 a.m.-5:00 p.m.
Apopka High School

We are having a talent show! If you or members of your club want to participate in our 1st District 6980 Talent Show at the District Conference, here are some of the details. You must submit a short video (no more than 3 minutes) of you or your group performing whatever it is. A committee will review the videos. The finalists will perform at the District Conference.

Our conference is going to be unique this year – just one day and jam packed! There will be another food packing event, an opportunity to learn life saving skills from the Apopka fire Department (separate registration for this), the finals of the District Talent Show, vendors, Rotary Means Business, and group discussions in breakout sessions about the clubs' fundraisers and Rotary Fellowships. The day will end with a Memorial Service to the Rotarians or family members of Rotarians who passed away during this Rotary year. There is No Charge for this conference. Every person who attends will have their name placed in drawings to be held throughout the day for door prizes.

What is a Rotary Foundation Global Grant for Vocational Training?

Established in 1965-66, the Group Study Exchange Program was an educational program that promoted international understanding through organized travel and personal contact. The program evolved as Rotary updated its grant model and placed this activity within global grants. Vocational training under global grants builds skills within a community by offering local training or by supporting groups of professionals traveling abroad for rigorous study in their profession or to teach local professionals about a particular field. This type of training is often effective in conjunction with a humanitarian project.
