Knittery on April 27

It’s time again to get together to knit and crochet hats for colder days for the homeless in our county. Whether you are experienced or a novice at this type of project, you are welcome. We can teach you!! There is no need to bring yarn because we have plenty of it for everyone.

Men are welcome, too. There is always good food and plenty to drink so bring your wife or girlfriend and socialize with us for the afternoon. You do not need to be a Rotarian to knit hats!! ☺ Mark your calendar for April 27 at 2:00 p.m. at Cristina & Alex Rabago’s home.

THE FOUR-WAY TEST

Of the things we think, say or do
Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL AND BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

Welcome to All of Our Visitors Today

We are glad that you joined us and hope to see you again soon. Please be sure to provide us with your email address so we can be in touch with you about all the great and exciting moments in Rotary.

Sign Up Now for District Assembly

May 4 8:00 a.m.-12:00 p.m. Apopka High School

District Assembly is essential to Board Officers and Directors to understand your role and responsibilities for the upcoming Rotary year. It is also very informative to the general membership and we encourage everyone to attend. You can register now on the District portal and select the class for the club position you will fill next year. There is no cost to attend.

What Do You Know About the Council on Legislation?

Rotary members from all over the world are gathered in Chicago from April 13-18 to discuss changes to the policies guiding Rotary clubs. The Council is Rotary's version of a congress. Every three years, representatives selected by their districts gather to consider proposals designed to move Rotary forward and adapt to the changing times. Council members had an orientation on Sunday, and then got down to business Monday morning working their way through more than 100 proposals.

The Council was created by the 1933 Convention to serve as an "advisory body" to assist with the review of enactments and resolutions proposed at the annual convention. It first convened as part of the 1934 convention.

The 1970 convention further modified the process when it decided that the Council should no longer serve in an advisory capacity, but instead become RI's official legislative body, considering proposals to amend the RI Constitution and Bylaws and the Standard Rotary Club Constitution. Four years later, delegates decided that the Council would meet triennially, still in conjunction with the convention. Finally, in 1977, the Council adopted an enactment to meet independently of the convention.

The 1980 Council was notable for its support of Rotary's efforts to immunize children against polio. A year earlier, the RI Board had approved the first Health, Hunger and Humanity grant funding a five-year effort to immunize six million children in the Philippines against polio. The effort eventually led to the PolioPlus program launched in 1985. The 1986 Council adopted a resolution that further endorsed Rotary's commitment to immunizing the world's children against polio.

The 1950 Council is remembered for adopting "Service Above Self" and "He Profits Most Who Serves Best" (later reworded "One Profits Most Who Serves Best") as Rotary mottoes. The 2001 Council is often noted for the amount of legislation received -- more than 1,000 proposals -- with over 600 being published and considered by council representatives.

By comparison, this year's Council's a breeze, with just over 100 proposals.
