To All of the 2019 Graduates

May is Rotary Youth Services Month

Rotaract clubs bring together people ages 18-30 to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service.

In communities worldwide, Rotary and Rotaract members work side by side to take action through service.

Rotaract focuses on the development of young adults as leaders in their communities and workplaces. Clubs around the world also take part in international service projects, in a global effort to bring peace and international understanding to the world.

Rotaract by the numbers

10,904 Rotaract Clubs

Lessons in Rotary Geography

~ Were you aware that the Rotary Club of Reno, Nevada, is farther west than the Rotary Club of Los Angeles, California?

~ Would you guess that the meetings of the Rotary Club of Portland, Maine, are farther south than those of the clubs in London, England?

~ Can you imagine that the Rotary Club of Pensacola, Florida, is west of the Detroit, Michigan, club?

~ It is a fact that the Rotary Club of Cairo, Illinois, is south of Richmond, Virginia.

~ There are 135 Rotary clubs with the word "Tokyo" in their club names.

~ The Rotary Club of Nome, Alaska, lies west of the club in Honolulu, Hawaii, and the Santiago, Chile, club is located east of the Rotary Club of Philadelphia, Pennsylvania.

~ Rotary geographers will know that virtually every Rotary club meeting in Australia is east of the Hong Kong Rotary Club.

~ What do the Rotary clubs of Quito, Ecuador; Libreville, Gabon, Singapore, and Kampala, Uganda, have in common? You guessed right if you said they all meet approximately on the equator.

Rotary Dues Reminder
