JUNE IS ROTARY FELLOWSHIPS MONTH

What are Rotary Fellowships?

Rotary Fellowships are international groups that share a common passion. Fellowships are open to Rotarians, family members, and program participants and alumni. Being part of a fellowship is a fun way to make friends around the world, explore a hobby or profession, and enhance your Rotary experience. There are groups for magicians, skiers, whiskey, flying, railroads, quilters, beer, antique automobiles, and so many more areas of interest. Check out the list of 79 groups to see if there is a group that fits your life style. Go to <https://www.rotary.org/en/our-programs/more-fellowships>

The Rotary Foundation (TRF) Reminder

As the Rotary year ends, we are asking each member to make an additional contribution to TRF. We are offering matching points for your donation that will take you to the next Paul Harris Fellow level. If you would like to know your status and what you are able to do, please contact Nancy today. We are also asking those who have not begun to support the Foundation to give a minimum contribution of \$25 by June 26. Your decisions are needed by now in order to allow time to complete all paperwork and submit it to RI by the end of the month.
