Rotarians in Transition

A member since August 16, 2000, Robert Husband has been unable to join us for weekly meetings due to his job out of town. On Friday, August 9, he will officially become a member of the Rotary Club of Suntree in Melbourne, Florida. We wish him well with his new Rotary family. We will still get to see him since he intends to attend our local functions when he can.

Congratulations Paul Harris Fellow Recipients

Excerpts from RI President's Message

Rotarian August 2019

During 2019-2020, I am encouraging Rotarians and Rotaractors to grow Rotary. We must grow our service, we must grow the impact of our projects, but, most importantly, we must grow our membership so that we can achieve more.

... Growing Rotary is all about taking the connections that make our organization unique in the world and strengthening and multiplying them. Let us commit ourselves to growing Rotary and to welcoming the next diverse generation of women and men as *Rotary Connects the World*.

- ★ Now it's your turn. Start asking for auction items from companies or purchasing items now. Complete the paperwork for each item when you bring them to the weekly meetings. Live auction items should be different, special and exciting. We need some unique silent auction items to add to the mix of some of our favorites.
