 Is it the TRUTH?

What Happens When You Say Yes to Rotary

(from *The Rotarian* August 2019)

Every week when she was in high school, Lisa Herring and her fellow Interactors would visit a local nursing home and spend time with the residents. Other days she would help the local Rotary club with their projects. Today, she can see how that time changed her view of the world. “When we’re young, we’re focused on ourselves,” she says. “But to see that there are needs outside my own, and that I can make a difference in someone else’s life, that was really important.” Two of her kids participated in Rotary Youth Exchange. Her daughter traveled to Italy and Ecuador, and her son went to Switzerland, where he unwittingly found his calling. One of his host fathers was an engineer and a general contractor, and Herring’s son decided that’s what he wanted to do. But he also wanted to be a Rotarian. It’s a family tradition. Lisa Herring is a member of the Rotary Club of Junction, Texas

WHAT IS A ROTARY FOUNDATION SUSTAINING MEMBER?

A Rotary Foundation Sustaining Member is an individual who personally contributes US\$100 or more each Rotary year to the Annual Fund. These contributions also count toward Paul Harris Fellow, Multiple Paul Harris Fellow, Paul Harris Society, Major Donor, and club recognition. We have 31 members working toward their Rotary Foundation Sustaining Member status annually in our Club.

For \$25 a quarter, you too can be a Rotary Foundation Sustaining Member! *May we sign you up?*
