Kissimmee Bay Country Club
2801 Kissimmee Bay Blvd,
Kissimmee, FL 34744

Check out our website or Facebook
page.

PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with locals, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We are working with various partners on the following projects;

- Red Back Pack Program with Partin Settlement Elementary: Donations to their program with supplies children in low income situations with supplemental weekend food.
- Wheelchair Ramps: Building ramps for veterans and other disabled adults in the community so that they can have easier access in and out of their homes.
- Crutches for Africa: Collection of Wheelchairs, walkers, crutches and all mobility devices. These will be shipped to very needy people in Africa and other under developed countries who otherwise, would be crawling on the ground in order to have any mobility.
- End Polio Now: Working on eradicating polio all over the World. Providing vaccinations to children around the World who are at risk of contracting polio.

GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

I have been a Rotarian for 28 years and I'm proud to be a Rotarian because of the wonderful projects done by our organization! We are wiping out Polio with the help of Bill and Melinda Gates. We provide wells for clean water in third world countries. Rotary is an international family and we look out for each other! It's a good feeling to belong! The Rotary Club of Kissimmee Bay is a perfect example of what family is and can be.

—Sandra Delucia

I joined Rotary because I wanted to make a difference in our community and around the World. Being a member of this club has given me so many opportunities to do just that. I am proud to be part of an organization that does so much to make this World a better place.

— Past President Cristina Rabago
